Dear City Council members,

Please vote for the City of Cambridge to stop purchasing from Hewlett Packard Enterprise (HPE) and Hewlett Packard Incorporated (HP Inc) until these companies fully terminate their support for violence against and denial of rights to Palestinians, immigrants, and people targeted by the U.S. prison system.

I support Mass Against Hewlett Packard Campaign. Do you? I know Cambridge is always in the forefront for standing up against humans rights violations in a non-violent way. I have always been proud to be a Cantabrigian for this reason.
